

ZAG spoke on Exchange, Lync, and Cloud Management at Cloud Conference

San Jose, CA – June 7, 2011 ZAG Technical Services was a Platinum Sponsor at the 2011 Cloud Intelligence Technology Conference in Mountain View, CA at the Microsoft Silicon Valley Campus on June 2, 2011.

The Cloud Intelligence Technology Conference was a one-day, intense, local event for business leaders, developers and IT managers.

ZAG spoke on Exchange 2010 Online and Lync 2010 Online in Office 365, as well as Intune and Systems Center. ZAG also had a booth at the event where attendees were able to come and talk one on one with some of the ZAG employees about their cloud needs.

ZAG considers this event to be very successful, we were able to spend time speaking one on one with attendees as well as give presentations on three popular topics. ZAG received excellent feedback and we look forward to more events like this one.
