

ZAG Extends to Seven Days a Week

Staffed every day of the week to support our customers

San Jose, CA – March 31, 2007– ZAG Technical Services, Inc. (ZAG), a leading Microsoft Gold Certified Partner in Northern California, recently announced that it is expanding its operations to be staffed seven days a week. ZAG is now able to provide high quality senior level engineering every day of the week.

In addition to supporting customer's requests, this offering will also allow ZAG to ensure that its customers are current on patching.

“Offering senior engineer staffing seven days a week offers us the ability to support our growing customer base in an even better manner.” said Jim Hunton, Principal with ZAG Technical Services, Inc. “At ZAG, we are all about customer service. Having regular staffed resources seven days a week will lead to a consistent experience for our customers.”
