

ZAG Excels in Nationwide Microsoft Customer Satisfaction Survey

San Jose, CA – January 23rd, 2006 – Today, ZAG Technical Services, Inc. announced that it has been ranked as one of the top Microsoft Partners in the nation, according to an independent third party national survey.

Last January, Microsoft commissioned an independent third party to perform an in depth survey of its Partners' customer satisfaction. ZAG Technical Services, Inc. (ZAG), as a Microsoft Gold Partner, was included in this survey.

It was announced that ZAG placed in the top 15% of customer satisfaction of all participating Microsoft Partners in the nation. In fact, well over 90% of customers gave ZAG the highest rating possible. All other customers gave ZAG the second highest rating, thereby solidifying ZAG's excellent ranking.

As Jim Hunton, Principal at ZAG states, "We are extremely pleased to see the hard work of our engineers be recognized by this Microsoft survey. The dedication to our customers is something that we have built the company on. We will continue to work to keep this high customer satisfaction rating."
