ZAG Earns Microsoft Partner Program Security Competency

Because Security is Essential

San Jose, CA – September 26, 2007– ZAG Technical Services, Inc. (ZAG), a leading Microsoft Gold Certified Partner in Northern California, recently announced that it has been awarded the Microsoft Partner Program Security Competency.

The Security Competency was released due to the critical need for Information Technology security in solutions deployed. The competency is gained by having a proven track record of producing secure solutions and gaining certification in security areas.

"In today's world, the need for security should go without saying. ZAG chose to acquire the Security Competency because it shows our understanding that security must permeate everything that we do." said Jim Hunton, Principal with ZAG Technical Services, Inc.
